Section 111 of the Medicare , Medicaid and SCHIP Extension Act of 2007 (MMSEA), a federal law, was amended and effective July 1, 2009, requires that liability insurers (including self-insurers), no fault insurers , and workers compensation plans report specific information about U.S. citizens, permanent residents, temporary working residents and other social security enrolled individuals who have other insurance coverage.

Information must be reported before payments are made for certain treatment or when certain claimants receive a settlement, judgment or award as a result of a claim.
